

then support the bill.

SPEAKER BARRETT: Thank you, sir. Any other discussion on the amendment? If not, Senator Bernard-Stevens, would you care to close?

SENATOR BERNARD-STEVENS: Yes, thank you, Mr. Speaker, and members of the body. I would hope that we would go ahead and agree with the amendment, and then we could get to a good discussion on the merits of the bill, 265CA, because I think with the amendment, it does make 265CA at least a viable alternative. I think it is something that we can live with and I would like to see the adoption of the amendment so that we can then bring on the discussion of the bill as amended. At this point, I would urge adoption of the amendment.

SPEAKER BARRETT: Thank you. You have heard the closing, and the question is the adoption of the Bernard-Stevens amendment to LR 265CA. Those in favor of the adoption of the amendment please vote aye, opposed nay. Have you all voted? Senator Bernard-Stevens.
